# TOURNAMENT RULES

## **FORMAT**

The tournament is a 4-person scramble with all players teeing off. Players will then select the best shot off the tee box to hit next. All players will then play their own ball from that spot. This continues until the ball is holed, OR you score a double bogey.

Men will play from the WHITE tee markers and women will play from the RED tee markers. Please turn in only one score card per team.

## **RULES & ETIQUETTE**

1. To help speed up the pace of play, the worst score to be recorded on a hole is a double bogey (2 over par). Ties will be broken by scores on the par 3's.
2. Players can improve their lie by one club length no closer to the hole, but must keep the ball in the same cut of grass or hazard.
3. Each player will have ONE mulligan for the nine holes of play. Mulligans can be used on any shot including putts.
4. Once the ball is within one putter length (standard putter) of the hole, it is to be considered a "gimmie". Move on to the next hole.
5. A "gimmie" does not count as in the hole - you still must add 1 stroke to get it in the hole.
6. Replace all fairway divots with the original grass.
7. Repair all ball marks on the green.
8. Leave and move your carts away from the green as soon as your ball is holed so the next group can play.
9. Make sure all trash is thrown in the trash cans or kept in your cart until the end of your round.
10. Do not drive the carts on the tee boxes.
11. Keep carts 30 feet from the greens unless on a cart path.

## **ANNOUNCEMENTS**
